

# MIMO: Move-Out Agreement Form

The Move-In Move-Out Committee recognizes that moving is an emotionally and physically stressful time.

We try our best to work with those who are moving in in a fair and reasonable way. When there are several moves happening at once, there are great demands on our time, and we very often have to rearrange our personal schedule to do the final inspection.

If you are moving out before the deadline of 10:00 am on the last day of the month, please advise us as soon as possible, so that we can make arrangements for the inspection. If, for some reason, you have to change the time arranged, it is imperative that you let us know immediately.

We will be moving from River Woods Housing Co-op by the deadline time of 10:00 am on:
